Our vaping flavors are the ultimate indulgence. Curated with precision, they offer a symphony of taste that's simply unparalleled. From the icy burst of awai to the sweetness of fruit, each puff is a delightful journey. The quality ingredients and expert blending ensure a smooth, satisfying experience that leaves you craving more. Whether you're a seasoned vaper or just starting out, my flavors are guaranteed to impress.

2.4-inch Touchscreen

Introducing a new era of vaping with our 2.4-inch touchscreen. Enjoy a seamless and intuitive interface that puts control at your fingertips.

Dynamic Wallpapers

Personalize your device with dynamic wallpapers that respond to your smoking, adding a vibrant and interactive element to your vaping experience.

GAMES

Dive into the fun with 4 exclusive games designed specifically for our device. Entertainment has never been this vape-integrated.

Adjustable Power

Customize your experience with power settings ranging from 12W to 24W. Whether you prefer a mild or intense session, our device has you covered.

Bluetooth Music

Sync your device and let the tunes flow. With Bluetooth connectivity, you can stream your favorite music directly to your vape, turning every session into a personal concert.

Calling Functionality

Stay connected with built-in calling functionality. Never miss an important call while on the go, keeping your communication and vaping in harmony.

TIMEOUT PROTECTION

Care for your well-being with our health-conscious feature that automatically stops the device after 10 seconds of continuous use, ensuring a safer vaping experience.

Embrace the Future of Vaping

Don't just vape, experience it. Purchase it and join the revolution where technology and vaping merge for an unparalleled experience.
